INTERNAL CONTROL STATEMENT

1. SCOPE OF RESPONSIBILITY

Tattingstone Parish Council (the Council) is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control which facilitates the effective exercise of the Council's functions and which includes arrangements for the effective management of risk. In accordance with the Local Government Act 1972 s151, the Council has appointed the Clerk as the Responsible Financial Officer (RFO) who administers the council's financial affairs in accordance with all Acts, Regulations and proper practices.

2. THE PURPOSE OF THE SYSTEM OF INTERNAL CONTROL

Internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives; it can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an on-going process designed to identify and prioritise the risks to the achievement of the Council's policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically.

The system of internal control is designed to ensure that the Council's activities are carried out properly and as intended. Internal controls are set up by the Clerk / RFO but it also falls to Council members to ensure that they have a degree of control and understanding of those controls. Controls will include; the checking of routine financial procedures; the examination of financial comparisons; the recording of assets and liabilities; the identification of risk; the evaluation of the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically.
